

The French Chamber of Commerce France Vietnam (CCIFV) main goal is to drive and represent the French business community in Vietnam and to facilitate the exchange of goods, services and capital between both countries.

It is a non-profit organization created in 1989. It gathers over 290 members, from individual members to MNCs, including SMEs as well. CCIFV is part of the worldwide network "CCI France International" (French Chambers of Commerce network abroad) which is composed of 123 French Chambers in 92 countries, gathering 35 000 companies.

Our activities

the image of France in Vietnam and facilitate the exchange of products and services between both countries.

the French companies along each step of their development project in Vietnam: guide them during the investigation of the Vietnamese market by offering practical support and operational solutions. It means working closely with the CCI in France, the CCI France International network and other french public networks.

the French business community in Vietnam, in particular by helping the share of information and experiences between its members.
