The bookings for the repatriation flight from Paris to Ho Chi Minh City can only be made through the Air France Vietnam ticketing team (call center, email or ticketing office).

As part of the **AIR FRANCE PROTECT MEASURES**, all Air France tickets are currently fully flexible or refundable at no extra fee and without justification, for travel scheduled before 31 December 2021.

## ENTRY AND STAY REQUIREMENTS

### Travel restrictions on TravelDoc

Travel documents and a recent negative Covid-19 test may be required, for travel to and from France and the Schengen area. Air France strongly recommend that you check the entry and stay conditions on the official [AIR FRANCE TRAVELDOC](https://www.airfrance.traveldoc) website before your trip.

[airfrance.traveldoc.aero](https://airfrance.traveldoc.aero)

### Transit via Singapore

All Air France customers are able to transit via Singapore Changi Airport on the connecting flights operated by Singapore Airlines (SQ) as long as they fulfill the following requirements: have an onward ticket (separate ticket will not be allowed), remain in the transit area, have their luggage checked to their final destination.

Changi Airport  
Transit procedure

Customers should also familiarize themselves with [new transit procedures for Changi Airport](#) before travelling and be reminded to wear their masks while in transit and observe safe distancing measures.

### OUR HEALTH MEASURES TO KEEP YOU SAFE AND PROTECTED EVERY STEP OF YOUR JOURNEY

Your health and safety remain at the heart of everything we do. In the face of Covid-19, we have put in place the strictest health measures both on the ground in flight to keep you protected at every step of your journey. Grouped under the label "Air France protect", these measures are regularly adapted to evolutions in the health situation.

Follow our recommendations to prepare for your trip and travel safely.
