TRANSIT VIA SINGAPORE

All Air France customers are able to transit via Singapore Changi Airport on the connecting flights operated by Singapore Airlines (SQ) as long as they fulfill the following requirements: have an onward ticket (separate ticket will not be allowed), remain in the transit area, have their luggage checked to their final destination. Customers should also familiarize themselves with new transit procedures for Changi Airport before travelling and be reminded to wear their masks while in transit and observe safe distancing measures.

Changi Airport Transit procedure

Please note that from 10 September 2021, a negative PCR test is required to all passengers aged 3 and above for entering or transiting through Singapore. The PCR test should be done within 48 hours before departure of their flight to Singapore. For information on entry requirements into Singapore, please visit [SafeTravel ICA](#).

PRE-DEPARTURE COVID-19 TESTING

Air France has partnered with Family Medical Practice, an approved testing center in Vietnam with locations in Ho Chi Minh City, Hanoi and Danang for you to book your Covid-19 PCR tests for your departure from Ho Chi Minh City and Hanoi. Visit www.wefly.contact and fill the online form, including your Air France flight ticket number. Once the form is filled, call one of Family Medical Practice's testing centers to make an appointment.
