Stages

**250+**

Exhibitors

# The Davos of AI in Paris.

We have engaged the ecosystem through **major AI summits** dedicated to major verticals **for the last 10 years ...**

Under the High patronage of Emmanuel Macron, President of the French Republic

- AI FOR HEALTH
- AI FOR TRAVEL
- AI FOR FINANCE
- AI FOR SPORT
- AI FOR INDUSTRY
- AI FOR THE PLANET
- AI FOR RETAIL & CONSUMERS
- AI FOR DEFENSE  
BY AI FOR INDUSTRY

Attendees from all summits will have access to all these verticals.

One venue to gather Fortune 500 companies, tech ecosystem actors, disruptive AI startups / scale-ups, research organizations and public institutions at every level. From executives to operational teams, it facilitates the sharing of insights and networking to drive AI innovation forward.

Adopt AI is the business & innovation sequel of the

# Adopt AI Summit 2025 at a glance.

20.000 attendees

1.300+ CEOs

3.000+ CXOs

650+ speakers

250+ exhibitors

8 stages

35+ country delegations

70+ country represented

14 country booths

# Our spaces at the **Grand Palais**.

Stages, a large demozone, VIP & CEO lounges and a networking area

## CEO STAGE

CEOs speaking about their **vision and strategy** regarding AI.

## VERTICAL MAINSTAGES

To bring together **sector-specific content** and speakers to allow the **sharing of concrete use cases** and client testimonials on these mainstages.

## MASTERCLASS STAGES

**Deep dive presentations** of concrete use cases during masterclasses and **AI practical workshops**. Sessions animated by the **ecosystem experts** to share insights and discuss key topics with the audience

## STARTUP STAGE

**International delegations of AI Startups** and Scale-ups will have a **chance to pitch their solutions** on this new stage in the Demo Zone.

## VIP AND CEO LOUNGES

**Network with speakers, C-levels, key decision makers and other VIP guests** in private VIP lounge and CEO Lounge.

## DEMO ZONE & NETWORKING ZONES

Watch **sector-specific demos** and **meet with AI actors on their stand**. Visit the demo zone dedicated to each vertical & meet other visitors and experts in networking zones.
