ORGANISERS

- **The French Chamber of Commerce and Industry in Vietnam**

The CCIFV main goal is to drive and represent the French business community in Vietnam and to facilitate the exchange of goods, services and capital between the two countries. It was created in 1989 and is part of the worldwide network which is composed of 126 Chambers in 95 countries. It gathers over 250 members and offers its services in Ho Chi Minh City as well as in Hanoi.

- **Mekong Quilts, a sustainable enterprise by Mekong Plus**

Mekong Quilts is a social enterprise helping women in remote villages of Vietnam and Cambodia provide for their families through the production of high quality, hand-crafted quilts, clothes, bamboo products, giftware and more... Mekong Quilts was founded in 2001 as an income generation project under the umbrella of parent NGO, Mekong Plus. All profits generated from the sale of the products are reinvested into the community through Mekong Plus (NGO): scholarships for children, agricultural training and micro-finance programmes, etc. As a result, the purchase of products help to provide sustainable employment to women but the profits from the sales also benefit the poor communities in which they live.
